# Introduction

## Abstract

The WDE427 is a cumulative collection and collects statistics on the students **referred, evaluated and who may or may not be** receiving services under Individuals with Disabilities Education Act (IDEA). This collection gathers individual student-level special education demographic, disability, and service data. For more information on the data elements, please visit the <http://www.k12.wy.us/wise/>.

## Authority

School districts are required to submit a variety of data collections to the WDE each year. The data collected by the Wyoming Department of Education (WDE) is critical and essential to the continual growth of Wyoming's education system. Data are utilized in an array of fashions, which include (but are not limited to) funding models, Adequate Yearly Progress (AYP), and Special Education programs. This section describes the rules and regulations, specific to this collection, that permit WDE to require the school districts to submit these data.

### *WDE427 Authority*

There are numerous authorities that allow the WDE to collect data for the WDE427 collection. The different authorities are listed below.

- Individuals with Disabilities Education Improvement Act of 2004, Public Law 108-446, Section 618
- 34 Code of Federal Regulations Parts 300.750 - 300.755
- WY Rules and Regulations - Section 43 20 USC 1411(d)(2)
- WY Rules and Regulations - Section 43 20 USC 1418(a)(1)(A)(iii)
- WY Rules and Regulations - Section 43 20 USC 1418(a)(1)(A)(iv)
- WY Rules and Regulations - Section 43 20 USC 1418(a)(2) [IDEA Part B]

# Instructions

It should be noted that the instructions listed below are solely aimed to provide guidance on the WDE427 collection. These instructions are not intended to give the reader technical guidance on the State Report Manager (SRM). The SRM User's Guide can be found online at [https://www.k12.wy.us/wise/documents/library/trainingmaterials/2007/WYOMING\\_SRM\\_062807\\_v3.pdf](https://www.k12.wy.us/wise/documents/library/trainingmaterials/2007/WYOMING_SRM_062807_v3.pdf).

## Data Submission Process

Before logging into the SRM, the user must create a Comma Separated Value (CSV) file that contains the appropriate data and data elements for this collection. Information regarding the Data Elements and values can be found at the WISE website:

<https://www.k12.wy.us/wise/default.aspx>

### *Login*

Each district has one SRM contact person. In most cases, this is the district WISE coordinator. This person has the district's URL, username, and password. It will be necessary to work with this person in submitting the data from this collection.

### *Upload Files*

At this time, the SRM user will upload this file into the SRM. The user will click on the orange "New Trial" button. In the next screen, the user will click the "Browse" button and search for the CSV file. Then the user will click the "Import" button. While the file is being uploaded, the program will check the data for errors.

### *Errors in Data*

Once the data have been uploaded, the user will evaluate all errors and warnings reported in the SRM. The errors generated by the SRM are used to ensure compatibility, consistency, and comparability of the data. Since the data are checked close to the source, the school district, where the quality is the highest, there is a reduced need for edit reviews. It should be noted that any errors must be corrected before the SRM will allow the user to send data to the WDE. The user must also make corrections offline, in the School Information System.

### *Send to WDE*

Once all errors have been corrected and all warnings have been examined, the user is ready to send the data to the WDE. The "Send to WDE" button will turn blue at that time. Once each district has sent in the data, its content will be verified against other data collections.

If any errors or questions persist in the data, the Data Collection Steward will contact each district for clarification.

### *Download Finalized Data*

The user has the option to download the submitted data file out of the SRM and the Fusion Portal. One copy of the finalized data should be saved in a secure location for auditing purposes. This file may also prove useful to reconcile any questions that may arise with the Data Collection Steward.

## Collection Schedule

### WDE427 Collection Schedule

**Collection Window  
5/18/2009-6/12/2009**

Each district should run an initial trial on their data by the Monday before the collection is due. For this collection, district should load data no later than **June 8, 2009**. This will ensure time and opportunity to make corrections.

# Frequently Asked Questions

For this collection, there are two Frequently Asked Questions (FAQ) tables: one for content questions and the other for submission questions.

## WDE427 Content Questions and Answers

#	Question	Answer
1	Who do I contact regarding content questions?	Stephanie Weaver at 307-777-2560
2	I need clarification on a disability definition. Where can I obtain the definition?	The definitions for the disabilities are listed in Appendix 1 of this document. The disabilities are also available online at: <a href="http://soswy.state.wy.us/RULES/rules/6641.pdf">http://soswy.state.wy.us/RULES/rules/6641.pdf</a> .
3	I need clarification on a related service definition. Where can I obtain the definition?	The definitions for the related services are listed in Appendix 1 of this document. The disabilities are also available online at: <a href="http://soswy.state.wy.us/RULES/rules/6641.pdf">http://soswy.state.wy.us/RULES/rules/6641.pdf</a>
4	The IDEA status changes throughout the year for many students. How will I know when to report students on this collection?	Report any student <b>referred, evaluated and who may or may not be receiving services</b> under Individuals with Disabilities Education Act (IDEA) during any part of the school year. The WDE427 is a cumulative collection and will also include those children who have exited during the school year.
5	What is the difference between resident school and service school?	Resident school is the school where the child's parents/guardian resides or for a student who is a ward of the state the resident school would be the school the child was attending when the child was taken into Department of Family Services (DFS) custody; service school is the school that provides the services listed on the child's IEP.
6	What service school ID should I use for a home school child?	The service school for a home school student would be either where the child comes to receive special education services or the school where the child would receive services if enrolled in the district.
7	Can a child be on a 504 plan and have an IEP?	Yes, but the school will be asked to verify this information.
8	What are the instances when a student can be on a 504 plan and have an IEP can occur?	A student may need a 504 plan due to a medical condition (temporary or permanent) that does not affect their education but does substantially limit one or more major life activity. If you have questions, please contact Stephanie Weaver at 307-777-2560.
9	What grade should I mark a student in?	For this May WDE427 collection, grade level assigned to a student should match the grade assigned within your district's Student Information System.
10	In the past, we have been required to submit the student's secondary disability. Where do we report that this year?	You are not required to report the secondary disability to the WDE. You are welcome to continue reporting secondary disabilities for your own internal tracking. If you have questions, please contact Stephanie Weaver at 307-777-2560.
